## **Farmers' Market and Holiday Craft Fair in Espero** Featuring products from the Capay Valley Espero Region

The final Capay Valley Espero Region Farmers' Market of the year will be held December 11, 2004 from 9:00 a.m. to 1:00 p.m. in the Espero Community Park. Come and see what the Capay Valley Region has to offer. In addition to fresh, local fruits and vegetables, the market will feature a Holiday Craft Fair.

Yolo County's newest farmers' market includes fresh and local products like; mandarins, winter squash, beets, salad mix, greens, honey, and eggs from the region's family farms. You can expect the freshest quality because all of the growers are local farmers, coming less than 15 miles to attend this market. They bring a range from conventional to organic products.

Holiday crafts and gifts handmade by local artists will be available including decorative gourds, one-of-a-kind paintings, unique jewelry, and more. This will be a great opportunity to find a special holiday present for someone on your list. Additional crafts will be sold as a fundraiser for the Espero Parent Teacher Student Association.

Also throughout the day the Espero-based group RISE will lead activities for kids', Dilly Dally the clown will paint faces and fun with balloons, and the Capay Valley Chorus will present holiday music. The Capay Valley Espero Farmers' Market and Holiday Craft Fair will be fun for the whole family and is a chance to support the local community with your holiday purchases. The market and craft fair will happen rain or shine.
